

The background of the slide is a collage of various vintage postage stamps. The stamps are in shades of red, orange, and yellow, and feature various designs, including portraits, symbols, and text. Some legible text on the stamps includes "PARAVION", "PETERSEN", "POSTAGE", "100.00", "MADRID", "PURCHASE", and "STA. PIED".

What is Registered?

“Applicable Clinical Trials generally include interventional studies (with one or more arms) of FDA-regulated drugs, biological products, or devices that meet one of the following conditions:

- The trial has one or more sites in the United States
- The trial is conducted under an FDA investigational new drug application or investigational device exemption
- The trial involves a drug, biologic, or device that is manufactured in the United States or its territories and is exported for research”
