

## METASTATIC BREAST CANCER FINANCIAL, SUPPORT RESOURCES

### **The Angela Andrade Foundation-** <http://www.angelaandrdefoundation.org>

Established at The Dallas Foundation to support metastatic breast cancer patients. Angela's family and friends want to enhance and improve the quality of life of metastatic breast cancer patients through financial support. You are eligible to apply to the Angela Andrade Foundation if:

- You are a patient with metastatic breast cancer
- You are receiving treatment within the United States
- You are a permanent resident of the United States

To apply for a grant, an applicant must mail a completed application to the address below. Grants given in \$1,800 increments on an as needed basis. Recipients are selected monthly and must wait a year before applying for another grant. The applicant must submit a completed application including confirmation from a healthcare provider (through a sealed letter). When possible, all grant payments will be made directly to service providers on behalf of the individual recipient. In some instances recipients may be eligible for reimbursement, but they must provide receipts prior to expense reimbursement.

SHARE's Metastatic Breast Cancer Hotline has trained metastatic peers ranging in age from early thirties to eighty. Some have been living with metastatic disease for many years. They can answer your questions, help you figure out your options, and give you realistic hope and support. Call 866-891-2392 (in New York City call 212-382-2111).

### **Jack & Jill Late Stage Cancer Foundation-** 404.537.5253 - [www.Jaif.org](http://www.Jaif.org)

The only organization to: TREAT THE FAMILIES; NOT THE CANCER. When a parent is diagnosed with late-stage cancer, a family's world is immediately turned upside down. Our supporters appreciate these children who are facing the imminent loss of their Moms or Dads deserve a timeout from cancer to create cherished, lasting (indispensable) memories as a family... *while they can.*
